Re: Request for Sponsorship for IPES' NUS Scholarships Program 2018 and for Cadetship Program with Opus International Consultants Ltd

Afioga e,

Since 2008, the Institute of Professional Engineers has held an annual Golf Tournament to raise funds for their NUS Scholarship Program; offering scholarships to NUS students studying Science, Maths and Engineering related courses.

The 2016 annual Golf Tournament was a huge success and IPES was able to raise \$20,000 tala in funds to sponsor 10 NUS students with their tuition fees. The students were hand selected based on their financial needs and their academic merits. Below, a photo of IPES handing over funds to NUS.

(L-R) Faina Ahliki (IPES), Professor Fui Le'apai Tu'ua 'Īlaoa Asofou So'o (NUS), Fui Tupai Mau Simanu (IPES), Titi Tutuvanu-Schwalger (IPES), Leulua'ialii Faufata Levi (IPES)

Moreover, the IPES and the Government of Samoa through the Ministry of Foreign Affairs and Trade (MFAT) signed a Memorandum of Understanding with Opus International Consultants Ltd, NZ in May 2016 for training opportunities for our local engineers. IPES' financial contribution under the MOU is to fund return airfares for 2 cadets who will undertake studies and work experience with Opus in New Zealand.
