IMPORTANT NOTICE

It is illegal under PART V Section 23 to 26 **Regulation of the Practice Engineering Act 1998, Samoa** to **i)** practice in Samoa and **ii)** carry out or be involved in any type of professional engineering service practice (design or supervision or project management and administration) for the purpose of implementing in Samoa, without being registered with the IPES.

This applies to ALL Professional Engineers whether **DOMESTIC** or **INTERNATIONAL**.

WARNING: Members shall practice only in their specialised fields of competence with respect to qualifications and experience. Members who practise outside their fields of competence shall be subject to IPES ACT & Regulation penalties.

Vui Sebastian KW Mariner

IPES Secretary/Registrar
